

LET'S CELEBRATE TOGETHER AT THE MICROSOFT STORE

In honor of LGBT Pride Month, The Microsoft Store in Scottsdale Fashion Square is joining with Phoenix Pride and Arizona Pride Guide to host a networking event full of fun, entertainment and education for the LGBT business community and area small business owners. Hear personal stories from several Microsoft Store employees about their journey within the Company and how Microsoft supports a mission of inclusion, openness and empowerment. Learn valuable knowledge about all the Microsoft resources and free services available for your business. Play the latest XBOX games, try the HTC VIVE virtual reality experience and check out the cool Microsoft devices, hero products and software throughout the store.

Enjoy light appetizers and refreshments and pick up the latest copy of Echo Magazine. Don't forget to bring a friend and plenty of business. We look forward to meeting you.
