

Dinner d'Arte Pop-Up Dinner & White Party Whirls into Valley

Gourmet Food, Wine, Art, Dancing at Iconic Mystery Location to be celebrated in April

SCOTTSDALE, AZ (February 21, 2014) The Valley of the Sun will play host to a celebration of food, wine and art the likes of which have never been seen before in Arizona. All will be revealed on April 12, 2014, at the first ever [Dinner d'Arte](#). Inspired by the annual Dîner en Blanc event in Paris, Dinner d'Arte guests will be united in the spontaneous, creative, magical spirit of the event. Dinner d'Arte guests will converge on a secret iconic location to be announced four hours prior to start. At 5:00 p.m., guests elegantly dressed in white, will decorate and adorn provided tables and chairs and eat, drink, dance and be merry! With live music, world-class wine, dancing and amazing works of art, Dinner d'Arte's a pop-up dinner, flash-mob style, and strict white dress code ensures a white-out event like no other. Hosted by Bella Palazzo and Creative Hands Cuisine, tickets can be purchased at www.dinnerdarte.net for \$35 per person, which covers the costs for permits, tables, chairs, entertainment and a bevy of surprises!

Guests are encouraged to tap their inner creativity and decorate their table with aplomb. Feel like placing fish bowls or succulents as centerpieces? Please do so...guests are only limited by their imagination. The only caveat, due to the inherent beauty of the secret location, lit candles will not be permitted. Foodies will love the opportunity to show off their culinary skills, as guests are encouraged to bring a full picnic dinner and non-alcoholic beverages. Creative Hands Cuisine will provide pre-ordered gourmet baskets with wine also available for purchase on-site or in advance on the Dinner d'Arte website. A portion of all proceeds from wine and ticket sales will benefit [The Care Fund](#). As an integral part of the evening's activities, Dinner d'Arte, in association with [Bianca Lauren Galleries](#), will feature the artworks of talented, emerging artists. The art showcased will be available for purchase. In addition, an intriguing live art presentation will have guests talking long after the evening is over. Live music will be played and all are encouraged to take to the dance floor and twirl the night away.

Prior to the evening, Dinner d'Arte will donate a fully decorated, elaborate table designed by a local interior designer including a gourmet meal & wine for eight to be auctioned by a local radio station.

Set-up begins promptly at 5:00 p.m. with the event kicking off at 7:00 p.m. Festivities will continue until 10:00 p.m. at which time all guests will be requested to thoroughly clean their area, leaving no trace of the evenings activities.
